

A: Hey, did you
read about
the new
SpaceX rocket?

B: No, I don't
know where
to find that
info.

A: Where did
you read
about it?

B: They have
a website
with it, it's
all here on
my phone.

A: Their articles
are really clean
and nice.

B: Yeah, and look,
they even have
all the launches.
